here i stand head in hand
turn my face to the wall
if she's gone i can't go on
????????????????????
everywhere people stare
each and everyday
i can see them laugh at me
and i hear them say

hey, you've got to hide your love away x2

how can i even try
i can never win
hearing down, seeing down
in the state i'm in
how could she say to me
love will find a way
gather round all you clowns
let me hear you say

hey, you've got to hide your love away x2
