Please to meet you
Come to greet you
With this harmful intent
IÃfÃ,Ã,Ã'm sick and twisted
I pay a visit from the darkness and death
Yeah itÃfÃ,Ã,Ã's true
What can I do this mosterÃfÃ,Ã,Ã's living in me
IÃfÃ,Ã,Ã'm tore in two
I gotta choose now
who should I be?
I have this hunger deep down under
Now itÃfÃ,Ã,Ã's hard to explain
I get off to be the cause of all this horror and pain

The midnight sky is clouding
The creaturs stands there howling
Shadows dancing to the drop
Dead beat of the two

I was watching
IÃfÃ,Ã,Ã've been stalking every move that they make
Like a wolf to the sheep
IÃfÃ,Ã,Ã've come to feed on they prey
Night falls hunting calls by the side of the road
I pick them up
Their time is up
And away that we go

Hear the screams beyond belief
Crying out from the cellar
My obsession
My collection itÃfÃ,Ã,Ã's breathtakingly stellar
They hunt me
But I hunt them
I make them shake as they quiver
Come to me
Let me be your serial killer

The midnight sky is clouding
The creaturs stands there howling
Shadows dancing to the drop
Dead beat of the two

Hourse before the rising sun
I take these lives
But they were loved
Take a good look at just what IÃfÂ,Ã,Â´ve become
ThereÃfÂ,Ã,Â´s no remorse for what IÃfÂ,Ã,Â´ve done
Take a good look at what IÃfÂ,Ã,Â´ve become
