

## The Generators "Worlds Apart"

Visit "[Worlds Apart](#)" on MotoLyrics.com

I watched the stars fly on by  
IãfÂ,Ã,Â´m holding on to the hands of time  
This darkest hours got a hold on me  
A raging storm is driving me out to the sea

Cause I canãfÂ,Ã,Â´t breathe without you  
Is this what itãfÂ,Ã,Â´s all coming down to  
Watching the moment pass me by

In the back of my mind  
I hear you call  
IãfÂ,Ã,Â´m trying to stay still  
But now I fall  
We hold our ground like frozen statues  
Breaking from pieces  
I used to have something  
But now I got nothing left to believe in

Cause I canãfÂ,Ã,Â´t breathe without you  
Is this what itãfÂ,Ã,Â´s all coming down to  
Watching the moment pass me by  
Am I turning back around again  
Or am I ãfÂçâ,¬"  
Going out the morning wind  
I feel itãfÂ,Ã,Â´s all just slipping away

Cause IãfÂ,Ã,Â´m feeling worlds apart now  
Falling further into the darkeneb background  
The foundation keeps on breaking  
Every move I take is so painstaking  
This condition IãfÂ,Ã,Â´m compounded  
Splintered from this new world  
That I just founded  
Splintered from this new world  
That I just founded  
Watching it all just fade away
