#### AN UNGRATEFUL DYING WORLD

Can't you see what it is,  
That I bring to thee?  
What it is, is me!

I give myself to you,  
Cut myself in two,  
Bleed my whole life through,

Where's your shame?  
point your blame!  
flame my name!

Your all the saaame!  
Your all the same!  
Your all the saaaaaaaaaaame!

Am I here to save you?  
Well maybe I don't care!?  
What if I just leave you,  
In your worldly despair?  
What if God stopped caring?  
And turned us back to dust.  
What if every promise,  
Was a broken piece of trust?  
Maybe you'd start caring,  
And feeling all this pain.  
Maybe you'd start sharing,  
A piece of the shame.

Such an ungrateful dying world!  
an ungrateful dying world!  
an ungrateful dying world!  
Why are you not praying?

Such an ungrateful dying world!  
an ungrateful dying world!  
an ungrateful dying world!  
Why are you straying?

Such an ungrateful dying world!  
an ungrateful dying world!  
an ungrateful dying world!  
God is here to save us!

Such an ungrateful dying world!  
an ungrateful dying world!  
an ungrateful dying world!  
Don't you even care?

Such an ungrateful dying world!
