#### BREAK FREE

Face the truth, the truth of justice,  
what is this, it must have missed us,  
I can't believe in a truth when it's so defaced with lies.  
This government, I must resist it,  
I know I can't insist it,  
I can't just sit back and let it infect my life.

All this hate, and propaganda,  
when you read me, my Miranda,  
even Christmas has fallen down to Santa's lies.  
Lies!!!!  
lies!  
Lies!!!

Well I know I can't live in a world of spit,  
and sit back and not give a shit,  
and I know too damn well,  
that you can live in your own heaven or hell,  
you can hope for a better day,  
and I can pray for a better way,  
when the world comes crashing down,  
I can be resurrected into new life.

Sent down from above,  
Into this world without much love,  
to spread these words that you hear.  
Foolish men will doubt,  
the angry men will shout,  
but the wise ones will lend their ear.

I can't even see,  
anything but the,  
look in your eyes.  
You can't even see,  
'cause your reality is lies.

I can't even see,  
anything but the,  
look in your eyes.

You can't even see,  
'cause your reality is lies.

You are a puppet of the society that spawned you!  
Break free, of the chains that bond you!  
Break free of the chains, that live to bind you!  
Look deep within yourself, and learn to find you!  
..learn to find you.

I can't even see,  
anything but the,  
look in your eyes.  
You can't even see,  
because your living a lie!!
