DARKNESS BLINDS MY EYES

Darkness blinds my eyes
I can't see the light
Confusion fills my mind
It seems out of sight

Heaven hear my cries
Fill me with insight
I can't seem to find
Guide me to do right

Please make all my tries
Worthy of Your might
Help me feel inside
Why it is I fight

Shield my ears from lies
Make me realize
All the truth that hides
Underneath Your skies

Heal my soul in time
Give me love to find
Help me to deny
All the sin confined

Give me strength to climb
When I fall behind
Give me will to try
While my eyes are blind

(Chorus)
Evil stains my soul
I am tainted black
Once you lose control
You never get it back

Darkness blinds my eyes
I can't see the light
Confusion fills my mind

Is Heaven out of sight?
