FILL THE HOLE IN MY SOUL WITH LOVE

I've often asked myself why  
It is I try to die  
To kill the pain inside my mind  
To drug myself a high  
To fill myself with evil pride  
To remove the feelings I tried.. to hide.. inside

I finally reach up to the sky  
To find myself the answer why  
And now I know inside my mind  
It's to fill a place I lost inside  
A feeling of love I used to know  
Has left me hollow to die alone  
I need to fill this space  
My constant high tries to replace

The path I chose, A thorny rose  
Has left me empty and full of holes  
And now I know what I got to know  
I need someone who can sew  
The hole in my soul  
Closed.

closed...  
closed ...  
closed...  
closed ..  
closed..  
closed....  
closed..  
closed...  
closed..  
closed...  
closed..  
closed...  
closed ..  
closed..  
closed....

The hole in my soul  
The hole in my soul

The whole of my soul  
The whole of my soul

What I need is you  
What I need is you  
To fill the hole in my soul  
To fill the hole in my soul

You fill the hole in my soul  
To fill the hole in my soul  
You fill the hole in my soul  
You fill the hole in my soul

To fill the hole in my soul  
What I need is you  
What I need is you  
What I need is you  
What I need is you
