LOVE IN CREATION

There is love in creation,
this manifestation of life,
this holy existence,
brought forth from the dust,
we are so much more,
than worthless beings!

We are given this time,
to redeem ourselves,
to become worthy of this purity,
this gift of eternal life,
to reflect deep within your self,
and discover who you really are!

There is love in creation,
this manifestation of life,
this holy existence,
brought forth from the night,
we are so much more,
than worthless beings!

..worthless...flesh...
