NOT WORDS

Love is such an easy word to say,
When tomorrow comes, you may not feel the same.
It just flows out of your mouth like a fountain.
Would you scream out loud from atop a mountain?
Can you feel it in your hand?
Does it let you understand?
Can you feel it in your soul?
Does it make you feel you're whole?

Love shines through in actions,
Not in words, am I heard?

'Cuz, when I need you around,
You're nowhere.. to be found.

Love is such an easy game to play,
All the things you say, but may not really mean.
It must come naturally to you.
All the things that you do.
Can you feel it in your mind?
Do you know that you are mine?
Can you feel it in your soul?
Does it make you feel you're whole?

Love shines through in actions,
Not in words, am I heard?

'Cuz, when I need you around,
You're nowhere.. to be found.

Love shines through in actions,
Not in words, am I heard?

Now I'm just an empty shell of a man.
You've left me hollow inside.
Here I am secluded in my own self pity.
Where you have left me.. to die.
