THE SUFFERING OF LOVE AND PERFECTION

This thing we call suffering,
Is a part of natural law,
All the sins of our fathers,
Has brought down man kind.
Inherited demons will leave our souls restless,
so we will search for our God of suffering and love.
The answer is not so clear at first glance.
Why would a God of love leave us to chance?

But has God not suffered for you?
He sent His only begotten son to die for you!
Has God not suffered enough for you?
Has God not suffered enough for you?

Suffer for your sins,
Suffer for your life,
Suffer for your love,
Suffering is life.

Why do we suffer?
Because we must cleanse our souls.
Life is perfection through suffering
For the wise shall let there suffering be the
chastisement of God

"And God shall wipe away all tears from their eyes:
and there shall be no more death,
neither sorrow, nor crying,
neither shall there be any more pain:
for the former things are passed away"

God makes all things new!

In my suffering, I will find love.
Im my suffering, I will be closer to God.
In my suffering, I will learn humility.
In my suffering, I will become pure...

In my suffering, I will find love.

Im my suffering, I will find God.
In my suffering, I will learn humility.
In my suffering!
