Love

It's a really hard game

It can make you feel so happy

It can make you feel so lame

I loved a girl who I've loved for everyday

And I wanted her to stay

But she left and I say

Why does love treat me so bad

Why do I love girls that I can't have

Maybe they have some other guy

Other reasons tell me why

Why does love treat me so bad?

And why do I love girls, that I can't have.

Well my first love

She lived down the street

She was the perfect girl

I'd been waiting to meet

But she had a boyfriend who was like 6 ft tall

He was the hard boy of the school

I looked like a fool

So why does love treat me so bad

Why do I love girls that I can't have

Maybe they have some other guy

Other reasons tell me why

Why does love treat me so bad?

And why do I love girls, that I can't have

Well then there,

Was little Kate

She was pretty

But what a mistake

Because Kate you see

She, promised me her love

Then I caught her sleeping

With the guy from the apartment above

Why does love treat me so bad?

Why do I love girls that I can't have

Maybe they have some other guy

Other reasons tell me why

Why does love treat me so bad?

And why do I love girls, that I can't have.

It seems that each time

I love someone

I love it when I'm with them

I hate it when they're gone

But it always seems that I

Am hurt a lot more

Than when I f' , 'm happily settled

Next minute she f' , 's out the door

Why does love treat me so bad?

Why do I love girls that I can f' , 't have

Maybe they have some other guy

Other reasons tell me why

Why does love treat me so bad?

Why do I love girls that I can f' , 't have
