(feat. Sabrina)

[Hook: Sabrina]

Why you hate, what you can't  
Why you hate, who you can't be  
Why you hate, what you can't  
Why you hate, who you can't beeeeeeee  
Aaaaaaaah, aaaaaaaah-aaaaah  
Ah-aaah-aaaaah

[James D 303]

Don't try to lie and despise, the way my hits come clean  
Playa hating all the time, because I'm not on your team  
A true playa in the game, it's that James D 303  
And the stroke double, that you can't contain I got it  
going on  
I'll leave your ass astonished, cause I'm coming that  
hard  
Dropping the bomb shhh, the shit you're bumping in  
your cars  
The music is contagious, you'll need that as for the  
stress  
Playa hating on my crew, there will be no contest  
You better stand in line, if you really wanna test me  
Cause it's the battle of the fittest, no you can't get with  
me  
I'll pistol whip you with the mac, when I creep up on you  
later  
No you can't hide, cause I will find all you haters

[Hook: Sabrina]

[James D 303]

Once again like I said, I am what you're not  
And you're so envious of me, cause of what I got  
So why you at my spot, so constantly  
On the jock but at the same time, you're talking that  
tussle  
Can you walk the walk, I hear talk in the ay-er  
So more that I hear, or from the hater over thay-er  
From the hater over here, cause the way you stingsing

me

Everywhere I turn, and there's a hater always near  
So who can I trust, who's my truest homie or wait  
Who is it I can't trust, nobody shit  
I've been through too much, down with too many haters  
Enough is enough, catch your world playa

[Hook: Sabrina]

[James D 303]

So they say, keep your worst enemy closer to you  
Moving they lips talking that shhh, why you hating on  
my fool  
Do you know why you hating, you can't handle the  
competition  
James D can't be faded, it's like an impossible mission  
Dissing pissing off haters, just causing some ruckus  
The reason why you hate us, cause uh you can not  
touch us  
I'm like the M-O-B, doing the damage but never seen  
You know I'm a true G, 3-0-3 the Denver city  
I heard it through the grape vine, that you like to hate  
Don't hate the playa hate the game, there is no escape  
Cause jealousy, is a mother  
Cause jealousy, is a mother
