You're a nobody till somebody loves you  
You're nobody till somebody cares  
You may be king, you may possess the world and its  
gold  
But gold won't bring you happiness when you're  
growin' old  
The world still is the same, you'll never change it  
As sure as the stars shine above  
You're nobody till somebody loves you  
Find yourself somebody to love

You're a nobody till somebody loves you  
You're nobody till somebody cares  
You may be a king, you may possess the whole world  
and its gold  
But gold won't bring you happiness when you're gettin'  
old  
The world still is the same, you'll never change it  
As sure as the stars shine above  
You're nobody, nobody till somebody loves you  
So find yourself somebody

Gotta get yourself somebody  
Because you're nobody till somebody loves you  
You're nobody till somebody cares  
You may a king, you might possess the big fat world  
and its gold  
But gold won't bring you happiness when you're  
growin' old  
The world, the whole world's the same, you'll never  
change it change it  
As sure as the stars shine above  
You're a nobody till somebody loves you  
So find yourself somebody  
somebody to love
