(verse)

even though i can't see
and i can't feel your touch
i will trust you lord
how i love you so much
though my nights my seem long
and i feel so alone
lord my trust is in you
i surrender to you

(bridge)

so many painful thoughts
travel through my mind
and i wonder how
i will make it through this time

(chorus)

but i trust you
lord it's not easy
sometimes the pain in my life
makes you seem far away
but i'll trust you
i need to know you're here
through the tears and the pain
through the heartache and rain

i'll trust you

(verse 2)

everything that i see
tells me not to believe
but i'll trust you lord
you have never failed me
my past still controls me
will this hurt ever leave?
i can only trust you
no one else like you do

(bridge)

(chorus)
