Too much sorrow

Too much pain

Too many reasons

No to go back again

Leavin' without her

Is too much to bear

But when we're together

Too much nothin' to share

But too much love

I've never seen

Too much love

I don't know what it means

Not enough caring

Too many lies

Sooner or later

One too many goodbyes

I got no reason

For hangin' around

And all my possessions

Start to weighin' me down

But too much love

I've never known

Too much love

I need some of my own
