How do you keep the music playing
How do you make it la-ast
How do you keep the song from fading too-oo fa-ast
How do you lose yourself to someone, then never lose
your way-ay
How do you not run out of new things to say...

And since we know we're always changing
How can it be the sa-ame
And tell me how year after year you're sure your heart
will fall apart
Each time you hear his name

I know the way I feel for you, it's now or never-er
The more I love, the more that I'm afraid
That in your eyes I may not see forever, forever
If we can be the best of lovers
Yet be the best of frie-iends
If we can try with every day to make it better, as it
grows
With any luck then I suppose
The music never ends

I know... How do you keep the music playi-ing
The way I feel for you, it's now or never
How do you make it la-ast
The more I love the more that I'm afraid
How do you keep the song from fading
That in your eyes I may not see forever, forever
To keep the song from fading too fast

If we can be the best of lovers, yet be the best of frie-
iends
If we can try with every day to make it better
As it grow-ows, with any luck, then I suppose
The music never ends

How do you keep it playin' baby
Oh-oh-oh, ah-ah-ah-ah
I want to know how do you do it, how-how-how
Do you keep the music playing

Over and over, Over and over [fade]
