Word play!

Uh he tatty when you start to play
You know you sent me
You send me right away
Heya partner, don't you dare be late
Hit me with the word of day (the word of the day)

Word play is a game for all days
Losing your ones that you wanna say
When things keep on going your way
Word play, all day, every day
(all day every day yea yea)

Word play is a game for all days
Losing your ones that you wanna say
When things keep on going your way
Word play, all day, every day
(all day every day yea yea)

Word play

Word play is a game for all days
Losing your ones that you wanna say
When things keep on going your way
