Set you up and let it go  
Gonna stack you up like a domino  
Push and watch you fall to pieces  
Oh

Sitting in the backseat and makin' love  
And don't you wanna be there  
When we cum

Wiping the cool grass off our hands  
And don't you wanna feel it  
When we cum

Like a fly on the wall  
Or a snake in the grass  
When we cum

Set you up and let it go  
Gonna stack you up like a domino  
Push and watch you fall to pieces

F\*ck everything you know  
Gonna stack you up like a domino  
Push and watch you fall to pieces

Listen to the voices talking back  
And tell me you can hear them  
When they cum

Look at the stars as you waste away  
And all their little pieces  
When they go

When they go  
Like a fly on the wall  
Or a snake in the grass  
When they cum

Set you up and let it go  
Gonna stack you up like a domino  
Push and watch you fall to pieces

F\*ck everything you know  
Gonna stack you up like a domino  
Push and watch you fall to pieces

Set you up and let it go  
Gonna stack you up like a domino  
Push and watch you fall to pieces

F\*ck everything you know  
Gonna stack you up like a domino  
Push and watch you fall to pieces

Set you up and let it go  
Gonna stack you up like a domino  
Push and watch you fall to pieces
