They lay me down
In a boat like a swan
The fairies served me tea
In a buttercup
And I'm gone

We float in her
Her wings are clipped
But she swims so good
Our fine swan ship
And I dip into her eyes

I found a reason to live today
I found a reason to live today

My clumsy hands
Are full of grace
I make them dance
In the strangest place
They fall down

The trees bow
Their sleepy heads
Their flowers drip
Into my bed
And I touch them to my cheek

I found a reason to live today
I found a reason to live today

They lay me down
In a boat like a swan
The fairies served me tea
In a buttercup
And I'm gone

I found a reason to live today
(I found a reason to live today)
