If I told you that I was thinking of moving east  
Would you save a place for me?  
Now, I'll come home

'Cause it's worse than I expected  
Place in my heart, home to the west  
We'll watch the same sunsets

When I doubt, I'll look east  
Lock my heart in this brass box, to newfound mass  
I'm breaking off but this is my home

I'd do anything for you  
Give you the world if I could  
Is that what you want me to do?  
Bridges and boundaries are bringing me closer to you
