It rains and pours in two's
Wonder if I'll come home
No strength left to battle you
Run to the open arms of anyone, anyone

I'm watching your fall from grace
Breaking a heart of gold
Don't ever try saving face
Run with your heart of stone

It rains and pours in two's
Wonder if I'll come home
No strength left to battle you
Run to the open arms of anyone, anyone

I'm watching your fall from grace
Breaking a heart of gold
Don't ever try saving face
Run with your heart of stone

Don't keep waiting up for me
Don't keep hoping I'll come home

I'm watching your fall from grace
Breaking a heart of gold
Don't ever try saving face
Run with your heart of stone

I'm watching your fall from grace
Breaking a heart of gold
Don't ever try saving face
Run with your heart of stone
