If I tried, would you still call me son?
If I tried, would you call me at all?

If I say that I'll go, regardless of what you want me to
do
If I say that I'll go regardless, I'm better off without
I'm better off without you

If I change my mind, it won't be soon enough for you
But I'm not you, I'm not you, I'm not you

I'll try to compromise for you to see
There's so many other things for me to find out

Run myself to the ground
Would you please forgive me, if I found my way back
home?

Everything I see, everything I do
Everywhere I've been, these mean nothin' to you
