I didn't take that blow to heart
You couldn't tear our home apart
You anything, you wanted everything

Don't have bruises I can show
Scars from abuse without a blow
You anything, you wanted everything

You don't owe anything to me

I didn't take that blow to heart
Couldn't tear our home apart
You anything, you wanted everything

You don't owe anything to me
But don't expect me not to bleed

I ask each year why am I here
Begging you please
Remembering
I'd rather die than be alone

I didn't take that blow to heart
Couldn't tear our home apart
Give you anything you wanted everything

You don't owe anything to me
But don't expect me not to bleed

I ask each year why am I here
Begging you please
Remembering
I'd rather die than be alone

I ask each year why am I here
Begging you please
Remembering
I'd rather die than be alone
