I never asked to be sorry  
If it's over it's over for sure  
I don't regret that I didn't want to  
Remember what all this was for

So this is all we can do  
What news is in store?  
How come starting over  
Would be frowned on anymore?

Hannah hold on  
Hannah hold on  
It's all been said  
It's all been done

I never witnessed bitter like this  
You'd think I'd have shot in cold blood  
If you won't admit it and I won't be around  
Just so I hear the applause

This isn't all we can do  
When in doubt you move on  
No need to sort it all out  
By the time you read this I'll be gone

Hannah hold on  
Hannah hold on  
It's all been said  
It's all been done  
Hang on

You only disappoint the ones who don't believe  
Hannah hold on  
I never asked to be sorry  
If it's over it's over for sure
