Can you sleep as the sound hits your ears  
One at a time?  
An unspoken balance here  
Unabridged for so many years  
That I should stare at receivers  
To receive her  
Isn't fair

Don't worry, I'll catch you  
Don't worry, I'll catch you  
Don't ever worry

Your arms in mine  
Anytime  
I wouldn't trade anything  
You're still my everything  
To my surprise  
Before my eyes  
You arrive

Don't worry, I'll catch you  
Don't worry, I'll catch you  
Don't ever worry

Still breaking old habits, habits  
You pulled the wool over me  
I can see everything, everything  
Remembering jinx removing

Don't worry, I'll catch you  
Don't worry, I'll catch you  
Don't ever worry

No need for reminding  
You're still all that matters to me
