[Verse 1:]

I go on forever  
Older burns are overturned  
My life for worse or better  
I'm just craving for a cure

[Refrain:]

Like a man possessed  
A requiem  
We're singing

[Verse 2:]

Hide the misdemeanors  
Never lead an open life  
My hands were never cleaner  
Not a trace for you to find

[Refrain]

[Verse 3:]

Say it, does it show?  
Is this test in any other time?  
I know, but I don't  
I'm blind in every other eye  
Cold hands, colder smoke  
We sleep anywhere we lie  
You're lying if you don't  
I'll try, I'll try

[Refrain x8]
