I wonder when I wander home
If I'll be fit to drink alone
Sleep with my memories
Pictures, apologies

For every minute yesterday
Regret reminds me anyway
If I remember anything
I'll make mistakes again

Last night on the mass pike
Thought I was losing you
Last night on the mass pike
I fell in love with you

I will declare a holiday
The night that she turned me away
I'm drowning in my miseries
It solves everything

Last night on the mass pike
Thought I was losing you
Last night on the mass pike
I fell in love with you , with you

Last night on the mass pike
Thought I was losing you
Last night on the mass pike
I fell in love with you

Last night on the mass pike
Thought I was losing you
Last night on the mass pike
I fell in love with you
