Same hold from the same hands, five years strong
Many times over and gone
It's everything that I have
To beat bridges much stronger and wide

Fewer and farther between we meet again
I'll try to do well on my own
Distance between is never been this far
I'll try to do well on my own

I realize that this time was something that I always
knew
Only a fool wouldn't see
Might as well start my drinking days now
If I'm really alone

Fewer and farther between we meet again
I'll try to do well on my own
Distance between is never been this far
I'll try to do well on my own

It's tempting

Am I asking too much to keep you at arms length?
Am I asking too much to keep you at home?

Am I asking too much to keep you at arms length?
Am I asking too much to keep you at home?

Am I asking too much to keep you at arms length?
Am I asking too much to keep you at home?

Am I asking too much to keep you at arms length?
Am I asking too much to keep you at home?

Please don't go
Please don't go
Don't go
Please don't go

And I know it's all gonna be fine
And I know this is what's right

And I know it's all gonna be fine
And I know this is what's right

What's right
What's right
What's right
