Never love anyone else  
It's a promise you made to yourself  
There's a box with the ring on the shelf  
And it's tarnished

Burden of liars and thieves  
Is the baggage you brought overseas  
And no matter if you beg and you plead  
Now this is over

Whoa  
That's just the way it would go  
No matter how the dice didn't roll  
You'll never be alone

Promise, a vow, a commitment  
The bottle won't help you forget this  
And I'm swearing as God as my witness  
This is sorry

Whoa  
That's just the way it would go  
No matter how the dice didn't roll  
You'll never be alone

Wondering  
Is it anything that you did?  
What's the reason you're ruining this?  
Never be alone

Wondering  
Is it anything that you did?  
What's the reason you're ruining this?  
Never be alone

Wondering  
Is it anything that you did?  
What's the reason you're ruining this?  
Never be alone

Wondering  
Is it anything that you did?

What's the reason you're ruining this?  
Never be alone
