If I told you that I was thinking of moving east
Would you save a place for me?
I'll come home because it's worse that I expected

A place in my heart for my home to the west
Where we'll watch the same sunsets
And when I doubt I'll look east and lock my heart
In a brass box to newfound mass
I'm breaking off but this is my home

I'd do anything for you, give you the world if I could
Is that what you want me to do?
These bridges and boundaries are bringing me closer
to you
