On the rap Boogie Knight's like pitbull  
I bite on to the beat, I don't let go  
By the way, RK has got pull  
Go Boogie Knight, go Boogie Knight, go

[ VERSE 1: Boogie Knight ]

I'm like a pitbull attack, with my rap I will  
Chop all dirty dogs up just for a thrill  
All German Shepherds are in deep check  
And the Doberman gang, they give me big respect  
I don't pee on the corner, I'm gonna wanna be  
The tip-top dog, the Mr. Pedigree  
My name is Boogie Knight and I'm a cold crush dude  
I put gunpowder inside my food  
And now I got no mercy, no siree  
I'm like a pitbull, not like Lassie  
Now people criticize the way I'm livin  
For your information, I want a blue ribbon  
The RK prowl, proud like a trooper  
We be coolin, you need a pooper scooper  
All the fly girls wanna take us for a walk  
They like our physique and the growl as we talk  
Now dogs out there, listen up real clear  
There is no dog we fear  
I bite ya high on the thigh, I won't let go  
I bark in the dark and at the disco  
I dog on the rap and I make top dollar  
My manager gave me gold for my collar  
I'm on the radio, got girls, got pull  
My name is Boogie Knight and I'm like a pitbull

Arrfff, arrfff

Arr-arr-arrfff

On the rap Romeo's like pitbull  
I bite on to the beat, I don't let go  
By the way, the RK has got pull  
Go Romeo, go Romeo, go

[ VERSE 2: Romeo JD ]

It's an attack on your mind like a rappin canine  
That'll tear you up and scare you up and dog your  
behind  
Like a muscle-bound rap hound stalkin in the (park)  
We're Romeo Knight, our bite is worse than our (bark)  
So aggressive and possessive when we're doggin the  
beat  
The competition just be wishin they could put us to  
sleep  
It's like a all-night fight that'll keep you aggravated  
Crush you like a milkbone and leave you mutilated  
We eat steaks, rock breaks, have fun  
And you eat puppy chow wonderin how we're number  
one  
So Rover move over, the fight has just begun  
So run Joe run, you're still on cycle one (sucker)  
We're steppin on your paw, we'll pin you to the floor  
Can't take it no more, so it's time to lock jaw  
A fight to the death, so take your last breath  
BK's for (Boogie Knight and JD for) Joe Death  
Turnin you into a quitter, we're sure to leave you bitter  
We're Romeo Knight and we're the pick of the litter  
So Rome JD and he's (Boogie Knight)  
So nothing's gonna save you from the RK bite  
Huh!

Arrfff, arrfff
