Never thought anything lasts forever
Hanging on every word, hold the cards in tight
But you're killing me with sincerity
And I'd make any move tonight

Redemption is a bitch too end on

The dark night of the soul
The dark night of the soul

All my training beget a traitor
A monster with a mind of its own
The beast is poised to strike
The bastard plays on these insecurities
Takes all my will to fight

Redemption is a bitch too end on

The dark night of the soul
The dark night of the soul

Oh well, you know what they say
Suddenly every thing's
Suddenly every thing's real

The dark night of the soul
The dark night of the soul

Oh well, you know what they say
Suddenly every thing's
Suddenly every thing's real

The dark night of the soul
The dark night of the soul

The bastard plays on these insecurities
Takes all my will fight

The dark night of the soul
The dark night of the soul

Oh well, you know what they say

Suddenly every thing's
Suddenly every thing's real

The dark night of the soul
The dark night of the soul
