I'll go with the worst idea
If everyone takes the toll
Keep followin' anyone
Who digs a deeper hole

Sing me a tune
Wasn't this bond built forever?
The anchor that strong

My money, it changes
How we used to value most
So over the shorter scent
That comes at any cost

Sing me a tune
Wasn't this bond built forever?
The anchor that strong

Didn't we build this together?
The worst just go wrong
The worst just go wrong

On and on, how do you win so many enemies?
I'm open to any good news
What if the world falls in?
I'm the only option we knew

Sing me a tune
Wasn't this bond built forever?
The anchor that strong

Didn't we build this together?
The worst just go wrong

I'll go with the worst idea
If everyone takes the toll
My money, it changes how we used to value most
So over the shorter scent that comes at any cost

Sing me a tune
Wasn't this bond built forever?
The anchor that strong, the anchor that strong

I'll go with the worst idea
If everyone takes the toll
(Way too long)
I'll go with the worst idea
If everyone takes the toll
