[ INTRO: Boogie Knight ]

Let me talk about a little reverse psychology  
How people try to make you think you gotta be hard  
in order to enjoy rap and enjoy yourself  
Well, we're the Boogie Boys, mainly Romeo Knight  
and it's a little different than that when you come  
around our way  
you don't have to get bugged out or act ill  
or shoot up the party to have fun  
We into havin good and clean fun  
and if you down with that program then you down with  
us  
My man Romeo JD, I am MC Boogie Knight  
and we gon' do it a little somethin like this  
for all the people in the house that like that peace  
put that hand in the air, y'all  
If you're into peace, say 'hooooo!'  
and I hear that  
and we do it like this

[ VERSE 1: Boogie Knight ]

This is us, plus I'm the K of the RK  
And bust peep what I have to say  
We're from Harlem and we rap and we sing with style  
We write songs on this, we're versatile  
We promote buggin out, no need to act ill  
Life ain't all that, so chill  
Cause to stereotype rap, it ain't right  
We ain't with that, we're Romeo Knight  
We don't sell drugs or snatch gold chains  
Caus we work for ours even if we look plain  
There's a God in the sky and inside we know  
If we do the right thing we're good to go  
So that's what I do, my name is Boogie Knight  
With a word and a rhythm I pledge to rock right  
For the ladies I'm a gentleman, a lover, a friend  
Stick your problems out with ya, I might stick it in  
RK is proud of whatever we do  
Too bad if you ain't with the program, boo  
Cause we're takin one day at a time as a must  
We're (Romeo) Knight and this is us

Stop it!

Romeo Knight, pump, pump it up

Romeo Knight, pump, pump it up  
Romeo

[ VERSE 2: Romeo JD ]

RK - like a two-man tag team  
Easily converted to a hardcore rag team  
Normally we chill cause we think chillin in on  
If you wanna, we can turn it into hip-hop Lebanon  
You can take a chance, try to make an advance  
Find a spot and dig a pot cause it's a suicide dance  
I ain't gotta be loud, my style excites you  
Thunder makes the noise but it's the lightning that  
strikes you  
I'm sure that we can get you buried  
Quickly added to a rap obituary  
Raggin you and daggin you like smoke in the wind  
Before you cough we dust you off and chalk you up as  
a win  
An undeniable force, the pyramid is our source  
(We never slack we just attack you like a Trojan horse)  
So when you passin us by, let sleepin giants lie  
Or we'll annoy you and destroy you in the wink of an  
eye  
I'm the Rome of the night, I got a big appetite  
So if you're bitin what we're writin you better stay out of  
sight  
The pyramid on our neck says that RK's in effect  
The way we're crushin like a Russian I suggest you ( ? )  
RK - yes y'all, like a two-man tag team  
Easily converted to a hardcore rag team  
Just because we chill cause we think chillin is on  
When will you learn that we can turn this into hip-hop  
Lebanon  
Ha!

Pump, pump it up  
Pump, pump it up  
Pump, pump it up

Pump, pump it up
