Rows of houses on forever  
What the neighbors never know  
When the hammer fell, the kettle whistle yells  
All good sinners go to hell, serpent turns onto itself

Did it occur to you too?  
What was the worst it could do?  
You wouldn't believe it  
Wouldn't believe it, I don't believe it too

It never occurred to you too  
You wouldn't believe it, wouldn't believe it  
I don't believe it too

Can you really keep a secret  
You cross your heart and hope to die  
May be an evil one, the mind is all but gone  
Trespass fits you like a charm, a scarlet letter on your  
arm

Did it occur to you too?  
What was the worst it could do?  
You wouldn't believe it, wouldn't believe it  
I don't believe it too

It never occurred to you too  
You wouldn't believe it, wouldn't believe it  
I don't believe it too

Homes open for the taking  
I'm telling you the truth  
Strange choices you've been making  
They will be coming back to you

And did it occur to you too?  
What was the worst it could do?  
You wouldn't believe it, wouldn't believe it  
I don't believe it too

It never occurred to you too  
You wouldn't believe it, wouldn't believe it  
I don't believe it too

Answer me, will you be received?
