"Loaded Gun"

I'm living two lives
I'm high and I'm low
To my eyes
I push and I pull
Jekyll or Hyde
You'll never be sure
Sometimes
Light as a bird
Doesn't seem right

I am a gun and I am loaded
I'm taking you down
I'll take you down
I am a bomb about to go and
You're going down
I'll take you down
Breakin' you down
I'm pounding you down
Breakin' you down
I'm taking you down

Fillin' your eyes
Now that you know
You're inside
Locked in the door
You know you can't hide
Cause I have the key,
You'll find
The beast within me
Now is the time

I am a gun and I am loaded
I'm taking you down
I'll take you down
I am a bomb about to go and
You're going down
I'll break you down
I'll break you down
I'll take you down

Breakin' you down

Poundin' you down
Breakin' you down
I'm takin' you down
Breakin'you down
I'm takin' you down
