Intro: Timbaland

Uh, hahaha! Can you feel me? Uh!
Say what, say what, uh! (Uh! Uh!)
Uh, hahaha! Can you feel me?
Usher, uh! (Uh! What?)

Chorus: Usher

You make me wanna leave the one I'm with,
start a new relationship with you, (Oh yeah... Baby!)
this is what you do! (Oooh, baby!)
Think about her and all the things
that come along with,
you make me... (You make me...)
You make me... (... make me...)
... leave the one i'm with,
start a new reallationship with you, (Ah, yeah...)
this is what you do! (... baby!)
Think about her and all the things
that come along with,
you make me...
You make me...

Verse 1: Usher

Before anything began between us
you were like my best friend!
The one I used to run and talk to,
when me and my girl was having problems! (That's
right!)
You used to say it'll be okay,
suggest little nice things I should do!
And when I go home at night
and lay my head down
all I seem to think about was you
and how...

Chorus: Usher

... you make me wanna leave the one I'm with,

start a new relationship with you, (Ooh, yeah! Ooh,
yeah!)
this is what you do! (Aah, yeah!)
Think about her and all the things
that come along with, (... come along with...)
you make me... (You make me...)
You make me... (You make me...)
leave the one I'm with,
start a new relationship with you, (Ooh, baby!)
this is what you do!
Think about her and all the things (Come on, come on,
come
on,...)
that come along with, (... come on, come on!)
you make me...
You make me...

Verse 2: Usher

Now what's bad
is you're the one that hooked us up!
Knowing it should've been you!
What's sad is that I love her,
but I'm falling for you!
What should I do?
Should I...
... tell my baby bye-bye?
Should I...
... do exactly what I feel inside?
Cause I...
... I don't wanna go,
don't need to stay,
but I really need to get it together!

Chorus: Usher

You make me wanna leave the one I'm with, (UUH!)
start a new relationship with you, (Ooh Baby!)
this is what you do! (See what you do?)
Think about her and all the things (Ah, yeah!!!)
that come along with,
you make me... (You make me...)
You make me... (You make me...)
... leave the one i'm with,
start a new relationship with you, (Ooh, baby!)
this is what you do! (This is what you do!)
Think about her and all the things (Yeah!!!)
that come along with,
you make me... [Timbaland] Uh!
You make me... [Timbaland] Uh!

Verse 3: Timbaland

Baby, it's kinda funny how... (Funny...)
... you make me feel! (... you make me feel!)
I bail with the ??? (Uh!)
about my ???, (What?)
but I never thought...
... that i would change my decision! (Uh-uh!)
I wanna kiss you...
... and hold your hand with your permission! (Uh-uh!)
Honey got me twisted in the head like a ???!
Burn like a ???,
but I, but I, but I can't stop!
What can i say? (Uh-uh!)
I wanna...
be with you! (Uh-uh!)
Usher bringin' the hook,
I'm out! (???)

Chorus: Usher

You make me wanna leave the one I'm with, (You make,
make, make me!)
start a new relationship with you, (YEAH!!!)
this is what you do! (Oh!)

start a new relationship with you, (Ooh, baby! ???)
this is what you do! (Uuuh...)
Think about her and all the things (... uh, uh!)
that come along with, (... come along with it!)
you make me... (You're making me...)
