If I were you I'd be taking it easy
Kick back and relax for a little while
We'll all still be here tomorrow
Take time just to act like a little child

No matter what the world has in store for us
You got the ring that better get off of us
Reach out for a comfortable chair
Rejoice throw your arms in the air

'Cause it's a good life so why y'all trippin'
The good life's slippin' away
It's a good life so why y'all trippin'
The good life's slippin' away

It's a good life so why y'all trippin'
The good life's slippin' away
It's a good life so why y'all trippin'
The good life's slippin' away

And if your boss is giving you pressure
Let go, take a breather in the park
You've got to find out what's your pleasure
In time you'll be singing like a lark

Pretty soon your sorry will chime for all
Somebody will heed your call
Reach out for a comfortable chair
Rejoice throw your arms in the air

'Cause it's a good life so why y'all trippin'
The good life's slippin' away
It's a good life so why y'all trippin'
The good life's slippin' away

It's a good life so why y'all trippin'
The good life's slippin' away
It's a good life so why y'all trippin'
The good life's slippin' away

Trade in some misery
For some tender lovin' care

Cast aside those cloudy days
Crushes are hard to bear

Make up your mind
Or get a whole new lease on life
Reach out for a comfortable chair
Rejoice and throw your arms in the air

It's a good life so why y'all trippin'
The good life's slippin' away
It's a good life so why y'all trippin'
The good life's slippin' away

It's a good life so why y'all trippin'
The good life's slippin' away
It's a good life so why y'all trippin'
The good life's slippin' away
