You and me are taken under our power to your
destination

I'm here, don't look at me baby
Co-come on, my dear, look at stars
I see you walking around
Oh baby everybody knows they can fly

I'm here, don't play with me baby
Co-come on, my dear, look at stars
I dream 'bout little blue man
And do you now I feel he can love

I.O.U., I.O.U., I.O.U., I.O.U.
Take me to the stars
I wanna go to Mars
I.O.U., I.O.U., I.O.U., I.O.U.
I am a stranger, you are in danger
I.O.U., I.O.U., I.O.U., I.O.U. (2X)

I'm here, don't look at me baby...

I'm here, don't play with me baby...
