Oh was there someone you were thinking of?
Someone more complete
Was there someone you were thinking of?

Yeah

But if you're fighting against the wind
You know that we can't wake up

(We can't wake up)

We...
We can't wake up
We can't wake up
It's turning and turning inside my head
So we will sleep alone

(We can't wake up)

We can't wake up
Inside this machine
We can't wake up
We can't wake up
Just to wake up
We try endlessly
Just to wake up
We can't wake up

But if you're fighting against the wind
You know that (we can't wake up)

We...
We can't wake up
We can't wake up
It's turning and turning inside my head
So we will sleep alone

So in the morning when we lay here dark and still
We wait for sunrise
Familiar voices tell us tales of what's to come
As they pass on by

Cause We...
We can't wake up
We can't wake up
It's turning and turning inside my head
So we will sleep alone

We...
We can't wake up
We can't wake up
It's turning and turning inside my head
So we will sleep alone

Yeah We...
We can't wake up
We can't wake up
It's turning and turning inside my head
So we will sleep alone

Yeah we will sleep alone
