Summer pop radio,
Summer pop radio,
No more school,
You're tuned into
Summer pop radio

Summer pop radio,
Summer pop radio,
You got to work till six,
But your day goes quick,
When you're tuned to the radio

Summer pop radio,
Summer pop radio,
Summer pop radio

Summer pop radio,
Plays the hits we all know,
All your favourite happening bands
Are playing in radioland

Summer pop radio,
Plays the records we all know,
Hope my record's being fixed,
On the radioland playlist

Oh Summer pop radio,
Oh Summer pop radio,
Oh Summer pop radio

Summer pop radio, Summer pop radio,
Summer pop radio, Summer pop radio,
Summer pop radio, Summer pop radio,
Summer pop radio
