[INTRO: Ciara]

Remix

Ciara and Janet

[Janet:]

Light-skin

Dark-skin

My Asian persuasion

I got it all

That's why these girls out here hatin

Cause I'm sexy

[RAP: Ciara]

I'm not a rapper but I just can't help it

First time I heard the beat I felt it

Turn the speakers up

I mean right now

I need feedback

I wanna hear it loud (Beep, beep)

For the Lex Coupes, the Beamerz, and the (Jeep, Jeep)

It's good times

See a penny in ya (Street, street)

My body's bangin' like a drum. Ba-rump, ba-rump, ba-rump

Janet give me some

Yeah

[VERSE:]

[Janet:]

Do ya like my style

Yeah that sexy, sexy, sexy

[Ciara:]

Do ya like when I break it down

Yeah that sexy, sexy, sexy

[Janet:]

You can work me out

Yeah that sexy, sexy, sexy

[Ciara:]

Well let me show you how

Yeah that sexy, sexy, sexy

[Janet:]

So here's my demonstration

A peep show
[Ciara:]
Tonight my body's in an exhibition baby
[Janet:]
Though it's on display don't be scared to
[Ciara:]
Touch it
It said so
So come and get it babe

[CHORUS:]
Strum me like a guitar
Blow out my amplifier
When you hear some feedback
Keep going
Take it higher
Crank it up, give it to me, come on
Crank it up, give it to me, come on
I'm gonna feedback, feedback, Oh!
Feedback, feedback, Oh!
Crank it up, give it to me, come on
Crank it up, give it to me, come on
I'm gonna feedback, feedback, Oh!
Feedback, feedback, Oh!

We can speed it up in overdrive
Cause it's so on fire
[Janet:]
Flyer than a pelican
Find another chick better than
I don't see her

Cause my swag is serious
Who is the best
No questions
