Some days as the sun beats down upon us
Every path that's traveled looks the same
I wonder if I'll ever turn my back upon the road
Time is on our side

And my heart is on my sleeve
I wanna be in this amazing new world
And our dreams, reality
I wanna be in this amazing new world

I wonder if I'll find my seven wonders
And looking back I'll love them all the same
Happiness is easy, happiness is gold
Time can never hide

And my heart is on my sleeve
I wanna be in this amazing new world
And our dreams, reality
I wanna be in this amazing new world

And my heart is on my sleeve
I wanna be in this amazing new world

Ooh
Ooh
Ooh
Ooh

And my heart is on my sleeve
I wanna be in this amazing new world
And our dreams, reality
I wanna be in this amazing new world

And my heart is on my sleeve
I wanna be in this amazing new world
And our dreams, reality
I wanna be in this amazing new world

Ooh
Ooh
Ooh

Oooh
