Bounce, bounce, bounce, bounce, bounce, bounce

When the sun's going down, do you hear what I hear
Turn the music right up, get the superstar feeling
I'm in love with the sound, it's the beat that I need
Doesn't matter your sign, just the way that you're
feeling

Bounce bounce bounce
Magic's on the floor baby
Bounce bounce bounce
Spinning to the rhythm
Bounce bounce bounce
The look is in your eyes
Join me for tonight and let the music take you over

Take you over, bounce bounce

DJ's playing the sound, wanna turn up the strobe
At our party tonight, there'll be happy smiling faces
Don't you try to pretend that it's all in your head
We'll be danc'in all night, so come on and join the party

Bounce bounce bounce
Magic's on the floor baby
Bounce bounce bounce
Spinning to the rhythm
Bounce bounce bounce
The look is in your eyes
Join me for tonight and let the music take you over

Bounce bounce bounce
Magic's on the floor baby
Bounce bounce bounce
Spinning to the rhythm
Bounce bounce bounce
The look is in your eyes
Join me for tonight and let the music take you over

Call your friends we're gonna have some fun (Have
some fun)

Hair and make-up invite everyone (Everyone)
There'll be laughter so let's spread the word (Spread
the word)
We'll be danc'in round the whole wide world

Bounce bounce bounce
Magic's on the floor baby
(Magic's on the floor baby)
Bounce bounce bounce
Magic's on the floor baby
(Hey baby, hey baby!)

Bounce bounce bounce
Magic's on the floor baby
Bounce bounce bounce
Spinning to the rhythm
Bounce bounce bounce
The look is in your eyes
Join me for tonight and let the music take you over

Bounce bounce bounce
Bounce bounce bounce
Bounce bounce bounce
The look is in your eyes
Join me for tonight and get the superstar feeling
