Hey boy, I've got a crush on you
Hey boy, you know it's true
Each time I close my eyes I can see your face
Daytime, nighttime, any old time or place

You may not read about it
I believe that I just can't doubt it
You may not really believe it
I do, cuz my eyes have seen it
Hey boy, it's true
I've got a crush on you

I've got a crush on you

Days go by but I just can't find the reason
My eyes grow blind just staring at the ceiling

You may not read about it
I believe that I just can't doubt it
You may not really believe it
I do, cuz my eyes have seen it
Hey boy, it's true
I've got a crush on you

Can't smile, can't eat, can't walk, can't sleep
Can't breathe, can't laugh, can't talk and I get cold feet
Oh yeah

You may not read about it
I believe that I just can't doubt it
You may not really believe it
I do, cuz my eyes have seen it

I don't wanna talk about it
It's so strong that I just can't doubt it
Some say, yeah, that seeing is believing
I can't quit my daydreaming
Hey boy, it's true
I've got a crush on you

I've got a crush on you

I've got a crush on you
I've got a crush on you
I've got a crush on you
I've got a crush on you
I've got a crush on you
