Looking for a way when I struggle through the day
(Oh so slowly)
Nothing going right when I know it should be fine
(Oh yeah)
When I'm feeling down and my friends are not around
(I'm not sorry)
I can find a way to seek a better day

(Dreams come true whenever you can see)
(Dreams come through and set me free)
(Dreams come true and let me fly)
(Dreams come soon and I'm feeling fine)

Sitting by the phone when I don't want time alone
(Slowly, slowly)
Wonder what I'll see when I wish for what could be
(What I'll see)
When my friends are down and I need to be around
(I'll be there)
I can find a way to seek a better day

(A way to find a better day just close your eyes and
dream a dream today!)

(Dreams come true whenever you can see)
(Dreams come through and set me free)
(Dreams come true and let me fly)
(Dreams come soon and I'm feeling fine) And I'm
feeling fine

(Dreams come true whenever you can see)
(Dreams come through and set me free) And I'm
feeling fine
(Dreams come true and let me fly)
(Dreams come soon and I'm feeling fine)

Feeling fine, a yeah yeah yeah I'm feeling, I'm feeling
fine

Dream'in to see a better place ahead
Think about the way I need to see my fate

(Dreams come true whenever you can see) Whenever
you can see
(Dreams come through and set me free) And set me
free
(Dreams come true and let me fly) And let me fly
(Dreams come soon and I'm feeling fine) And I'm
feeling fine

(Dreams come true whenever you can see) Whenever
you can see
(Dreams come through and set me free) And set me
free
(Dreams come true and let me fly) And let me fly
(Dreams come soon and I'm feeling fine)

Feeling fine
Feeling fine
