What do we do in the afternoon when
Homework is done, it's time for having fun and
We are girls, so we can have our way

Where do we go, it doesn't really matter
Cuz we are free, and we are friends you see
Every day to us is our best day

Singing along to our favorite bands
Hiding a smile when he's holding your hand
We have fun in everything we do
Tears from laughing so hard that we cry
Saddling up to go for a ride
We have fun in everything we do

Nothing we do could ever make us angry
Thunder and clouds will only keep us happy
Rainbows only shine after the rain

Times three we're friends, and we are friends forever
No matter what, we'll always stick together
We're best friends and that is how we'll stay

Singing along to our favorite bands
Hiding a smile when he's holding your hand
We have fun in everything we do
Tears from laughing so hard that we cry
Saddling up to go for a ride
We have fun in everything we do

Nah nah nah nah nah nah nah nah
We're friends forever
Nah nah nah nah nah nah nah nah
We stick together
Nah nah nah nah nah nah nah nah
We're friends forever
Nah nah nah nah nah nah nah nah
