In his eyes a fire's burning
A burning victor's mystery
He holds secrets no-one knows
A handsome horse's history
To me, he's a kind of perfection
He's a champion, he's so divine

Oh sweet majestic friend
Our fine dappled champion

There's a strength that goes unequalled
Firey footsteps over land
Nature's beauty shining round him
Hugo is our special friend
Can you hear us calling to you
Let's ride together, oohow oohow

Oh sweet majestic friend
Our fine dappled champion
He is favorite friend
We'll ride right to the end

There's no-one quite like you
I think this is feeling right
No horse so beautiful
I'm watching you in full flight
When I put my faith in you
Everything always turns out all right

You're always waiting for us
Our firey handsome friend
We'll always care for you so
Promise that you'll be here til the end
We're always glad to see you
Let's ride together, oohow oohow

Oh sweet majestic friend
Our fine dappled champion
He is a favorite friend
We'll ride right to the end
