Some girls are so distracted by boys
Flirting, pouting, and acting all coy
I don't think that's the way I wanna be
Some girls are so obsessed with cool clothes
The tighter the better, it makes them look old
I would rather be more like me

I am free
I am me
I am everything
I'm a girl
I will try
As hard as I can
I am what I am
I'm a girl
I'm gonna take on the world

I think I want to be a big star
Wanna write songs and play the guitar
Have my face in all the magazines
Then I think I'll go on a world tour
I think I'll play at wembly for sure
Stop off at China for a cup of tea

I am free
I am me
I am everything
I'm a girl
I will try
As hard as I can
I am what I am
I'm a girl
I'm gonna take on the world

I don't need to prove myself
As better than someone else
I'm not satisfied doing nothing at all
I'm gonna do anything I want

I am free
I am me

I am everything
I'm a girl
I will try
As hard as I can
I am what I am
I'm a girl

I am free
I am me
I am everything
I'm a girl
I will try
As hard as I can
I am what I am
I'm a girl
I'm gonna take on the world
