I wasn't ready for it
I wasn't looking for a change
Tried hard to ignore it
So unexpected and so strange
But it's true
There's nothing I can do
And sometimes I still can't believe this is happening

Now that I've found you
Things are gonna change
Now that I've found you
We'll never be the same
You and me, suddenly, a family, yeah
Out of the blue (Out of the blue)
Out of the blue (Out of the blue)

But now we're here together
No-one can ever take your place
I'm here for you forever
Can't take the smile off of my face
And it's true, there's nothing I can do
And sometimes I still can't believe this is happening

Now that I've found you
Things are gonna change
Now that I've found you
We'll never be the same
You and me, suddenly, a family, yeah
Out of the blue (Out of the blue)
Out of the blue (Out of the blue)

Now that I've found you
Things are gonna change
Now that I've found you
We'll never be the same
You and me, suddenly, a family, yeah
Out of the blue (Out of the blue)
Out of the blue (Out of the blue)
Out of the blue (Out of the blue)
Out of the blue (Out of the blue)
